

## **Meeting on the usage of structural funds for Education and Research Networking**

**Brussels, 8th and 9th December 2005**

The meeting on the usage of structural funds for Education and Research networking will take place in Brussels on 8th and 9th December.

Session A on 8th December will start at 14:00 and end at around 17:00.

It will take place in BELNET's office in Wetenschapsstraat 4 - Rue de la Science 4. It is south of the street "Rue de la Loi". The nearest underground station is Trone/Troon. You can find more information about the location on [www.belnet.be](http://www.belnet.be).

During this session we will have presentations from those countries where some work has been already done or that have plans for this. Nobody from the Commission will be present at this session. Some people have already promised to present their actions/plans. Please inform us via e-mail who else would like to present actions/plans about their country. We will also prepare questions for the next day.

Session B on 9th December will start at 9:00 and end at 13:00.

It will take place in one of the Commission buildings. The address is Rue Joseph II 54 (this street is parallel to the street "Rue de la Loi" on the north side). Room 1sdr11. Title of the meeting for room reservation is "NREN's and Structural Funds".

At this session we will have an opportunity to ask questions about conditions and limitations on using structural funds in our area. Head of unit in DG REGIO, Mr E. Hartog, will answer questions from 11:15 till 13:00. Mr Wim Jansen from DG INFSO will be there from 9:00 till 13:00.

Mr. Hartog asked if we can send some questions via e-mail before the meeting that he can be better prepared.
