Cartoon by Peter Steiner. The New Yorker, July 5, 1993 issue (Vol.69 (LXIX) no. 20) page 61

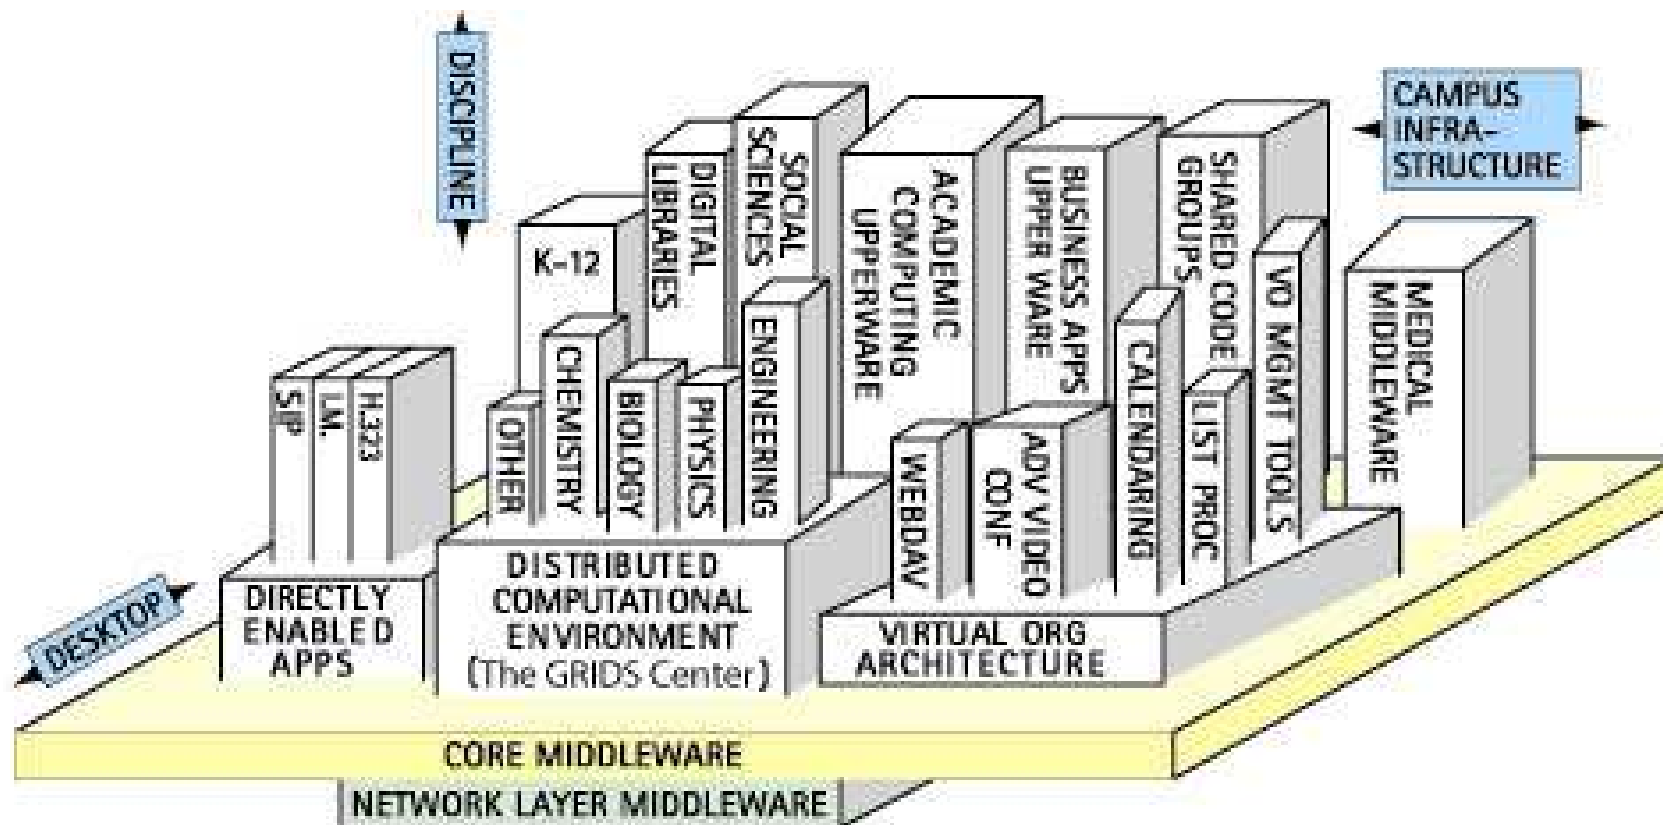

Diagram by Ken Klingenstein. "Collaborative Technologies and Enterprise Middleware".

re

- **The most relevant issues in core middleware**
 - With emphasis on the campus view
 - And a practical approach
- **Some of the best specialists and practitioners**
 - From the academic world
 - In Europe and the USA
- **You**
 - Full-duplex communication is essential
 - And the recruitment office is **always** open

- Have a productive meeting
- Establish the foundations for the coming EuroCAMPs
- Have fun!
