Introduction to TERENA

About TERENA

- 
- A decorative background featuring a vertical grey rope with a knot on the left side. On the right, there are three diagonal, overlapping bands in shades of purple, pink, and light blue, each ending in a small triangular flag-like shape in purple, pink, and red respectively. The text is overlaid on the right side of the image.
- › TERENA offers a forum to collaborate, innovate and share knowledge in order to foster the development of Internet technology, infrastructure and services to be used by the research and education community.
 - › TERENA is first and foremost a collaborative organisation.
 - › Its core business is to bring together managers, technical specialists and other people in the research networking community with their counterparts from other countries in Europe, mobilising the expertise and experience of hundreds of professionals in the research and education networking area.
