

Work Item E:

“ Investigate and liaise with other communities”

- ❏ TERENA task forces
- ❏ EUNIS e-Learning group <http://wiki.eunis.org>
- ❏ Opencast Community <http://www.opencastproject.org/>
- ❏ Steeple project <http://www.steeple.org.uk>
- ❏ CineGrid <http://www.cinegrid.org/>
- ❏ Standardization bodies

Work Item E: “ Investigate and liaise with other communities”

Deliverables:

- Communities doc on TF-Media WIKI
 - List of communities and projects
 - Abstract / description
 - URL
 - They have + we have ??
 - More ??

Work Item E: “ Investigate and liaise with other communities”

Example, EUNIS ELTF:

- Contacted “Gill Ferrer” TF lead
- No work item in ELTF close to TF-Media
- But 2 new links (uk):
 - [SCHOMS](#)
 - [JISC Digital Media](#)

Work Item E: “ Investigate and liaise with other communities”

But....

Really no work item in ELTF is close to TF-Media ?

Work Item E: “ Investigate and liaise with other communities”

Confusion ?

“ ...This group is very technical and works on protocols and transmission (if I may say so). It works on video and videoconferencing systems, not on multimedia in the meaning it has for learning. This has to do about network”

Work Item E: “ Investigate and liaise with other communities”

Ideas (Identity and Communication) :

- ❑ Wait to start WI-E?
- ❑ TF-PR help ?
- ❑ Write a dictionary ?
- ❑ More Ideas ?

Work Item E: “ Investigate and liaise with other communities”

W. Item E overlaps W. Item B ?

“Overview of (national) activities, deployments and services:

- Gather information on relevant projects, activities, deployments and services at national levels.
- Collect best practices and service requirements.
- Publish on the TF-Media wiki on an ongoing basis.”

Thank You !!
