(slides)

The screenshot shows a web browser window with the URL <http://www.epractice.eu/en/workshops/publiceid>. The page title is "Public eID: Cross-Border and Cross-Sector applications | ePractice". The browser tabs include "SAS Sweden - SAS", "Bo Bonfils Tegnestue", and "Public eID: Cross-Border and Cro...".

The website header features the "epractice.eu" logo, a search bar, and "Login" and "Register" buttons. Below the header is a navigation menu with options: Home, Cases, News, Events, Library, Factsheets, People, Workshops (highlighted), TV, Blog, and Communities.

The main content area shows the breadcrumb "Home > Workshops > Public eID: Cross-Border and Cross-Sector applications". The workshop title is "Public eID: Cross-Border and Cross-Sector applications" with a group icon. It is categorized under "Belgium" and has a date of "29. September 2009" and "3124 Visits". A star rating is visible. A "European eID Observatory" logo is also present.

Below the workshop details is a list of tags: authentication | citizen-oriented eID | cross-border and cross-sector interoperability | eID | eidentity | electronic identity | eSignature | mobile eID | smart cards.

The "About" section states: "This workshop is an initiative of the EUReID. It aims to encourage the sharing of good practice in the area of electronic identity. It will focus on citizen-related issues of eID and more specifically on the current status of public electronic identity. Relevant topics to be discussed, but not limited to are:"

- Cross-border applications.
- Cross-sector applications.
- Specific eID needs.
- Existing technological aspects.
- Solutions and future trends.

At the bottom of the "About" section, it says: "Action research, case studies, research-in-progress, and pilot programs are welcomed approaches. Proposals".

On the right side of the page, there are several widgets: "Navigate through workshops", "Participating Members (52)" with a "Log in to view Participating Members" link, "Comments" (noted as not yet commented), "Print this document", and a message about registration requirements. At the bottom right, there is a "Share!" button with social media icons.
