

Where do we go from here?

Closing session

We're here. We care. Let's use it.

- Why NREN?
- NREN (international) added value
- Sharing experience
- Collaboration
- What's specific to servicing schools
 - Do we need a group working on that?

Well then..

- What do we want?
- What to do?
- How?
- Who?

What do we want?

- Need to justify what we're doing
 -
- Need excuse for not servicing schools
 -
- Service schools, need models
 -
- Service schools, need collaboration
 -

What?

- Excuses
 - Need clear messages
 - Getting the message across to the governments
 - Who are the key people
 - Via EC (who's the target?)
- Collaboration, information exchange
 - Themes, subgroups
 - Organizational & technical models/requirements, standards
 - Expressing user needs, awareness
 - Intermediate btw schools & content providers

Themes, subgroups

- Interaction with existing TF's

- Management issues, strategy, PR
- Videoconferencing service for schools
 - Interact with TF-VVC
 - Technical requirements
 - International collaboration
- Security & Safety policies, Content
- ...?

How & Who?

- Closed website for sharing information
 - Available services
 - Service models
 - Goals & conclusions of the group
 - Key people at governments, EC, European Schoolnet
- Produce desired messages (statements, documents)
 - WS conclusions, paper from presentation(s)
 - Getting the message across
 - Study, event, lobbying...?
- Meetings
 - Theme workshops (subgroups)
 - Collaboration (general)
- Task force?
