# Structure

SCP: Security Contact Person

# We are not alone!

- Collaboration and Information Sharing are of utmost importance
- But trust also
- Inside BELNET
  - Privileged Contact Points (SCP)
- Outside
  - Participation to TF-CSIRT and Trusted Introducer
  - Participation to FIRST (near future)

# Acknowledgements

- CERT/CC for documents about CSIRT set up  
Handbook for CSIRT
- RENATER CERT and SURFNET CERT  
Advises, site visits, ...
- TRANSITS for the training  
Should have been able to follow it sooner,  
though  
More, more often?
- Everybody at TF-CSIRT for encouragements  
and support offers

# How to Contact Us
