

European Abuse Forum

Short update
TF-CSIRT Malta
September 2004

Don Stikvoort

Pragmatical abuse handling

- Abuse MAJOR problem for big ISPs
 - Re-inventing wheels
 - Joint problem
- 3 working groups
 - Spam
 - Viruses/worms
 - Copyright issues
- Goal to find pragmatical (organisational and operational) fixes, handling procedures, “standards” (agreements on how to tackle abuse)
