

CHIHT Update

Actual status

Marco Thorbrügge, DFN-CERT

14. TF-CSIRT meeting

28. January 2005 / London

- **Phase 2: Adding more information**
 - Completing information for existing tools (**nearly done**)
 - Still some feedback **missing!**
 - Internal: Switched to XSLT, but Stylesheets do not work properly ☹️ (To be fixed soon)
- **Phase 3: Generate a new questionnaire**
 - Let teams review the survey (**done**):
`http://chiht.dfn-cert.de/new-questionnaire.txt`
 - Start the survey (**done in november, ongoing**)
 - Received feedback from 5 teams
 - Next: Review the answers

- **Phase 4: Add workflow descriptions**
 - Idea: Having clickable workflow graphics guiding the user to the correct tools
 - See: <http://chiht.dfn-cert.de/workflow/>
 - Ask to send workflow descriptions (12-07)(done)
 - Ask again in october (done)
 - Decision to skip that idea
