

ENISA update

Andrew Cormack
Chief Regulatory Adviser, UKERNA

A.Cormack@ukerna.ac.uk

Draft Work Areas 2008-

- Four work programmes proposed
 - Building trust & confidence with SMEs
 - Helping MS to help SMEs, and SMEs to help themselves
 - Identifying emerging risks
 - Informing decision makers on new issues
 - Transparency in information security statistics
 - Better information for decision makers
 - Facilitating cooperation between MS
 - Reduce the difference in InfoSec capacity
- Work packages to involve all ENISA sections
- Comments/suggestions, please

Permanent Stakeholders Group
