

OIC-CERT Task Force Meeting

1-2 April 2008, Tunis, Tunisia

- › Established by Organisation of the Islamic Conference (OIC)
 - › International organisation of 57 countries.
 - › Funding provided by Islamic Development Bank.
 - › Provides formal framework for OIC-CERT, which is itself considered more of a regional cooperative organisation.
- › OIC-CERT Task Force formed in 2005
 - › Aims to improve cooperation between existing CSIRTs, and promote establishment of CSIRT teams in countries without them.
 - › Meets (at least) annually.
 - › Primarily targeted at North Africa and Middle East.
 - › Mostly information sharing and establishing contacts at this stage.

Attendees

- › Established CERTs:
 - › CERT-TCC – Tunisian governmental CERT (part of ANSI)
 - › Malware handling
 - › Cybersecurity/MyCERT – Malaysian governmental CERT
 - › APCERT Drill Exercise & Botnets.
 - › TR-CERT – Turkish academic/governmental CERT
 - › Threat analysis
 - › CERT-SA – Saudi telecoms regulatory authority.
 - › Phishing and spam.
- › Incident handling and cybercrime agencies:
 - › Libyan telecoms regulatory agency
 - › Pakistani Federal Police
 - › Morocco?
