

TRANSITS update

Don Stikvoort
on behalf of TERENA

Credits

The TRANSITS training course materials have been developed by members of European CSIRTs:

Claudia Natanson Andrew Cormack
Klaus Möller

Gareth Price Serge Droz
Don Stikvoort

Jacques Schuurman Renato Ettisberger
Peter Haag

And many more contributed on smaller issues.

Credits (ii)

Maintenance of the materials was initially funded by the European Commission's IST programme.

From mid 2005 till November 2006 the maintenance was supported by the Forum of Incident Response and Security Teams (FIRST).

CSIRTs worldwide (assembled in FIRST, TF-CSIRT etc.) cooperate on promoting TRANSITS and providing or supporting TRANSITS and Train-the-Trainers courses - focal point

Course structure

Five modules

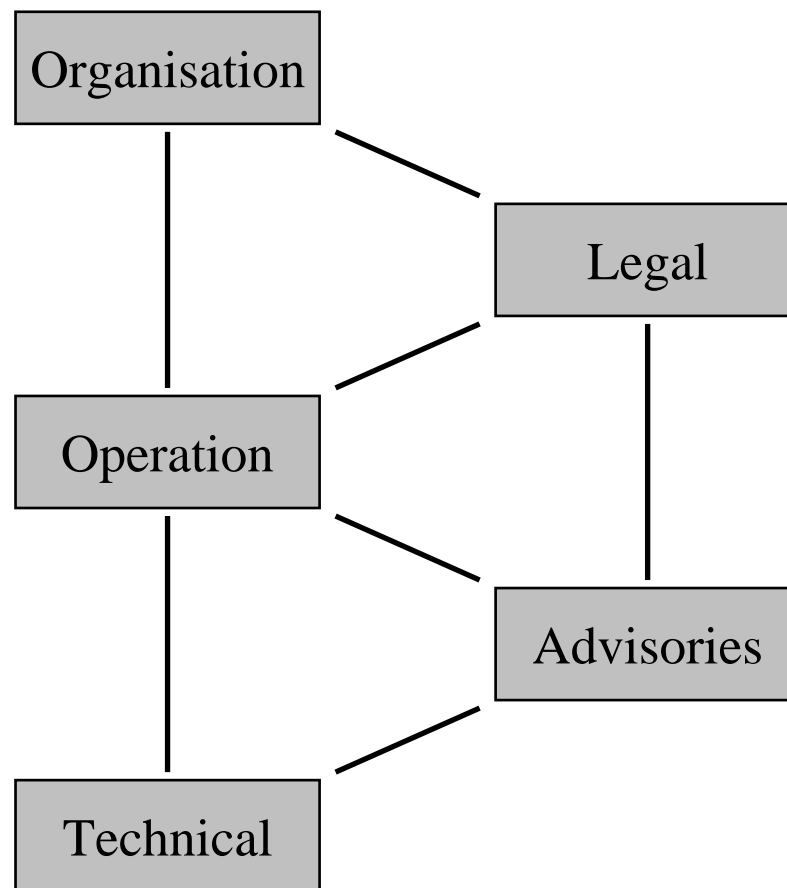

Independent, but linked

Two exciting and full days

Practical exercises :

- Do-it-yourself
- Fun roleplay

Looking for tutors

... many benefits for tutors (but
no money) ...

After that ...

Looking for good locations
and/or sponsors for next
TRANSITS cours(es)

- Autumn 2009, spring 2010
- Easy to reach, but ...
- ... secluded

Tutor's Spa

New show !

Get the tutors together and:

- Discuss content (and then get the work done)
- Presentation workshop
- Communication workshop

One day, adjacent to TF-CSIRT
(May? Sep?)

TRANSITS-2

TRANSITS for more experienced
team members

- Forensics
- Netflow
- Communication
- Scenario
- T.b.d.
- Three days ?

Let us know your ideas ...

... and help us make this real
