Trial run 5-7 October, Amsterdam @ TERENA (fully booked):

- Netflow, 1 day (Peter Haag, SWITCH)
- Forensics, 1 day (Peter Haag, Adrian Leuenberger, SWITCH)
- Communication, early evening (Don Stikvoort, Avalon)
- CERT exercises, $\frac{3}{4}$ day (Mirek Maj, Cybersecurity Foundation and Przemek Jaroszewski, CERT POLSKA)

Go / no-go after trial

The TRANSITS Secret ?

CERTs help CERTs !

Highly experienced tutors for backpacker prices (1/4 of realistic price level for TRANSITS I)

Not-for-profit ... tutors are volunteers (i.e. their organisations sponsor TRANSITS !)

Local hosts and sponsors help; ENISA helps a lot !

No costs around copyright; re-use of materials encouraged providing quality is good and not-for-profit
