Various initiatives going on

- TF-CSIRT
- AP CERTF
- Latin American initiatives
-

Co-ordination of initiatives

- Motion passed at FIRST AGM 2002 to establish a Task Force
- Aim: to find out what is going on, and in what way FIRST can be of help

Therefore:

- Open group, all who are interested are welcome to join
- Non-steered discussion based on a kick-off paper that poses open questions

Main lines in kick-off document

- Real-time operational issues
- Sharing information
- Critical infrastructure and cyberdefense
- Policy making and strategic planning
- Facilitating bilateral contacts
- Trust management

Modus operandi

- Mailing list **first-regions@first.org**
- Meeting at TC Chicago (8 October 2002)
- Meeting at TC Europe (11 February 2003)
- Teleconferences and additional meetings as required
- Advice and conclusions to be drafted by Q1/2003
- Up to the SC's discretion to initiate further actions: perhaps at AGM 2003 (Ottawa)
