ACOnet & Security

ACOnet has a long tradition in security efforts and incident handling

- active within TF-CSIRT from the beginning
- Member of CIRCA – the security coordination platform for Austrian ISPs

But a “formal CERT” was not yet necessary

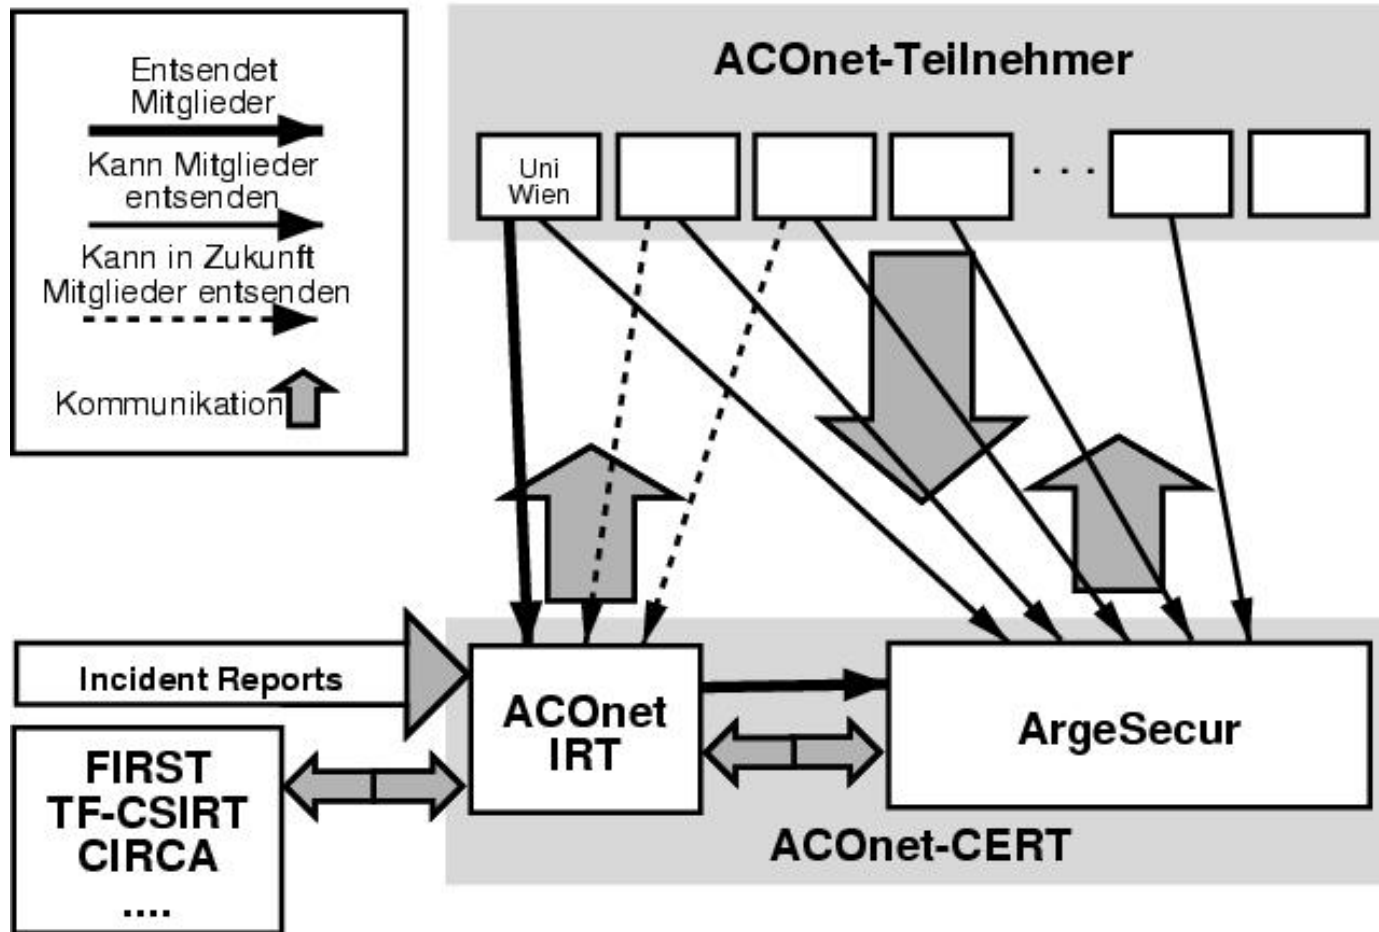

ACOnet CERT

New Organisations and Projects required formal Structures

- 10/2002 formal establishment Process started
- 11/2002 approval from Management to set up a CERT and acquire Ressources
- 01/2003 ACOnet-CERT formally starts its operation

ACOnet CERT Structure

vienna university
computer center
