- At one of the locations of UvA, in or near the city centre (presumably Herengracht)
- Hotel located near to TERENA offices, with a lot of bars, restaurants, and other goodies to be expected in Amsterdam's city centre
- Climate: long term statistics never pertain to a particular case, but expect mild after-summer weather (19-21C) ☺, or rain ☹
- Hotel and venue reachable from Schiphol airport by train within 30 minutes – **watch your belongings!!!!**
- **Cash and currency regulations are completely free, so DON'T talk to impersonated 'Police Officers'**
- **A taxi from Schiphol to the centre is a waste of money**
