

# NPAPW 2013, Vienna

## Arrival Plan

To provide an easy arrival we have gathered the following transportation possibilities:

The **University of Music and Performing Arts Vienna** is located near station "*Landstraße, Wien Mitte*" connecting the metro lines U3 and U4, the City Airport Train (CAT) and the public train.

### 1. CAT (City Airport Train): symbol to follow:

This non-stop direct line with a dedicated station ends at "*Wien Mitte*".

This train is more comfortable but also more expensive (€11 for one-way, €17 if you buy the return ticket at the same time) than the public train. Travel time with the CAT is about 16min.

Please note that the CAT ticket doesn't cover the Vienna public transportation. So you will need another ticket if you want to take the metro etc.

### 2. Public transportation: symbol to follow:

#### From the airport:

From the airport arrival hall 3 min. walk → Vienna Airport Station ("*Flughafen Wien VIE*")

At Vienna Airport Station take **S7** direction "*Floridsdorf*" → get off at station "*Wien Mitte*".

#### To the airport:

At station "*Wien Mitte, Landstraße*" take the train **S7** direction "*Wolfsthal*" or "*Flughafen Wien (VIE)*" to station "*Flughafen Wien*" (Vienna International Airport)

The train leaves the station at least twice an hour. Travel time with the S7 is about 30min.

#### Tickets:

The ticket costs €4 one-way (two zones, including the costs for the city) and can be bought at the counter or at the ticket-machine.

### 3. Taxi:

You also have the possibility to get picked up by C&K airport taxi (+43 1 44444). It is recommended to use the

online order form 24 hours in advance at <http://www.cundk.at>

For the order you'll need your flight number, your name and the planned arrival time. The driver will wait for you in the arrival hall.
