Can you also use the materials?

The materials are copyright TERENA. Use (e.g. for workshops at national level) is permitted provided you ask TERENA for permission (info@ist-transits.org) and report on the use.

See the following statements:
The TRANSITS training course materials have been developed by members of TERENA’s CSIRT Task Force.

Maintenance of the materials is being funded by the European Commission’s IST programme.
Copyright

TRANSITS slides, handouts and other materials are copyright TERENA (www.terena.nl)
Individual authors and their employers may also hold copyright in individual items
Re-use

The whole, or parts, of these materials may be used, unaltered, for non-commercial training courses provided their origin is acknowledged and permission is obtained from TERENA.

Reproduction of logos, other than as an integral part of the course materials, is prohibited.

See www.ist-transits.org for details.
In order to obtain permission from TERENA as referred to above, organisations or individuals must submit a request to TERENA, providing the following details:

- a statement that the training course for which the TRANSITS materials will be used will be non-commercial, i.e. that the income from the event will not be higher than is necessary to recover the direct costs of the organisers and the presenters of the course;
- the names and affiliations of the presenters of the training course; at least one of them needs to have very recent experience as a member of a professional CSIRT;
- the dates and the location of the training course;
- the number of trainees in the course and a description of the nature of their functions and the organisation(s) that they are working for.
TERENA will give permission as referred to above only under the following conditions:

- that the presenters will only use the most recent versions of the TRANSITS materials and will enquire shortly before the training course about any latest updates;
- that within three weeks after the training course the organisers will submit a report to TERENA; this report should include: the dates and location of the training course, the names and affiliations of the presenters, the names and affiliations of the trainees, and feedback from the presenters and from the trainees on the TRANSITS materials.
