TERENA Updates

TERENA Services

› TCS:

- › Up and running
- › NRENs satisfied
- › TCS running period:
 - › 2009 – 2012
- › Preparation has started to keep offering TCS beyond 2012

› TACAR:

- › Up and running
- › New software realised in 2010
- › New policy is also available

› SCHAC:

- › See Victoriano's slides

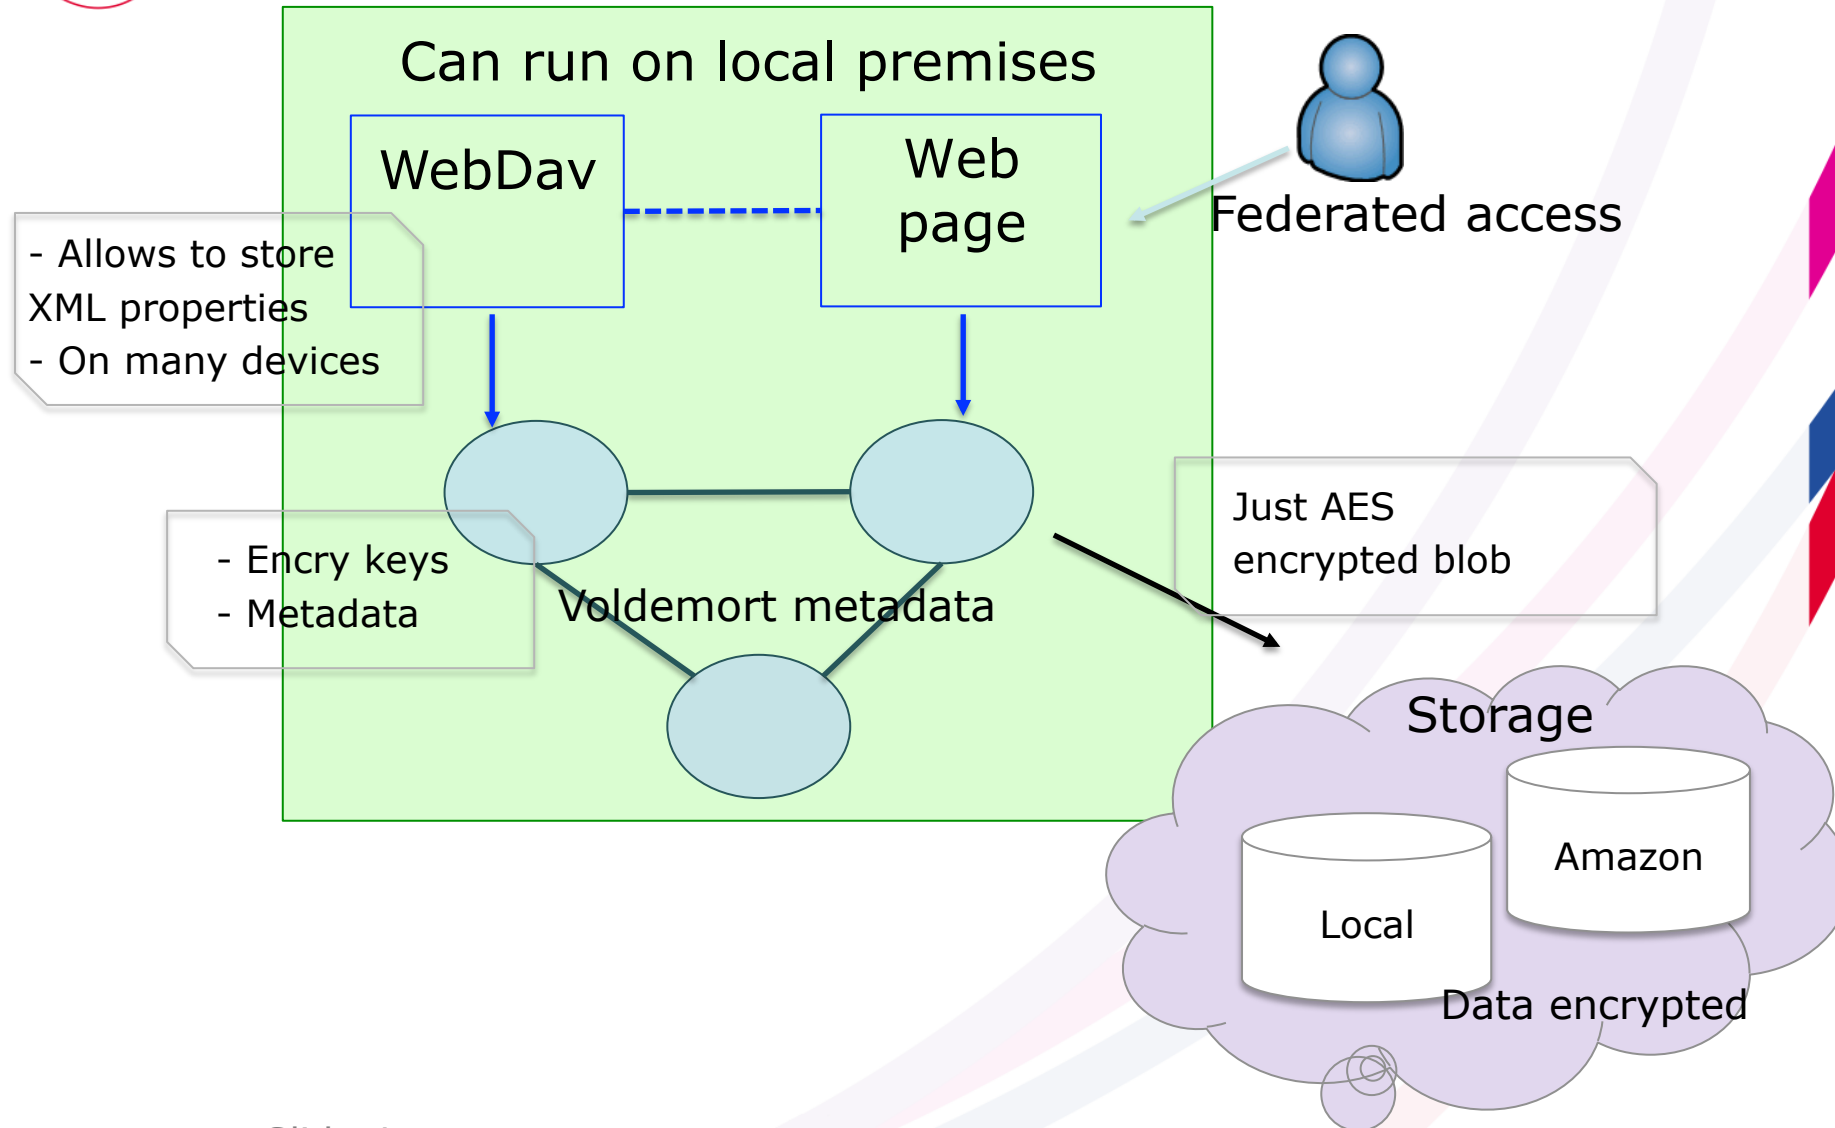

TERENA in the clouds?

- › Call from TERENA members for TERENA to act in this area:
 - › Many NRENS are already offering some solutions;
- › TERENA is:
 - › Supporting some NRENS in preparing an project proposal for the next EC call
 - › Working to prepare a report containing recommendations on Cloud Services in the NREN community:
 - › This will be done as part of the ASPIRE foresight study
- › After consulting some NRENS, TERENA organised a very small meeting:
 - › How about run a storage pilot?
 - › Based on the software developed by UNINETT Sigma

Cloud System by UNINETT Sigma

Interested?

› If so please contact me or Brook 😊
