

SCHAC \Leftrightarrow URNReg

tf-emc²

Victoriano Giralt

Central ICT Services
University of Málaga

Bologna
November 7th, 2011

Main work items

1 URNReg

2 SCHAC

RFC 6338

urn:schac

Published August 15th, 2011

- Old NSS (urn:mace:terena.org:schac) valid *forever*
- Edugain implications
- Migration *woes*
 - Thomas L., Peter S. proposal
 - UMA internal experience

URNReg

a registry for SCHAC, tf-emc² and beyond

Present status

- Operational since September
- Connected to TERENA's federation proxy
- Loaded with existing URN values
- Both *old* and *new* NSS

URNReg

a registry for SCHAC, tf-emc² and beyond

Time for a quick demo

URNReg

a registry for SCHAC, tf-emc² and beyond

Remaining work

- Some small bugs left
- Write the policy documents for the root NSS's
- Fill in the delegation records for national NSS's
- Register the OIDs

SCHAC

schema activity

Some recent attribute activity

- `schac{Sn2|AdditionalName|OptionalName}`
- `schacHomeOrganizationType`

schacSn2

the need for extra name components

Sometimes commonName is not enough

- One OID → many names
- Proposals (by Diego, Jacob, ...)
 - schacAdditionalName
 - schacOptionalName
 - schacOtherName

schacSn2

the need for extra name components

Sometimes commonName is not enough

- One OID → many names
- Proposals (by Diego, Jacob, . . .)
 - schacAdditionalName
 - schacOptionalName
 - schacOtherName

Will you please cast your votes?

schacHomeOrganizationType

in need of values

Quick summary of the discussion on the list

- Multivalued
- eduGAIN *enabled*
- New UNESCO IESC levels useful for education
- Supporting VOs, how?
- *Big* need for community collaboration

That's all folks!

That's all folks!
Grazie!
