

# 47th TF-CSIRT meeting Prague 2016

Zuzana Duračinská • 24.09.2015

# Prague 2016

- 25-17.01.2016
- 3 day meeting
- Venue: Academic institution in Dejvice
- Faculty of Architecture

# Cyber security in Czech republic

- Strong security community (22 teams in TI)
- Many interesting 'home' teams (Cesnet, Masaryk University, GovCERT...)
- Community was not build over night
- Number of interesting security projects
- Turris, FENIX, Knot DNS,
- new law on cyber security in effect since 2015
- Content: up to **US/YOU :)**

# What to expect?

- Rich food
- Beer (many local breweries)
- History
- Geo caching
- Culture (National Theatre, State Opera)
- Many nice views on the city

**See you in Prague**  
**January 2016**
